

EUGER C. BONETE JR.

React Frontend Developer

+ 639942045331 • eugerbone@gmail.com • <https://eugerbbonete.vercel.app/>

About

I'm a React developer with a strong focus on building clean, responsive user interfaces using TypeScript, Next.js, Tailwind CSS, and shadcn/ui. While I have full-stack experience working with Drizzle ORM and NeonDB, my strength and passion lie in crafting seamless frontend experiences that balance performance and design.

Experience

2025

HUMAN RESOURCES DEVELOPER INTERN

- Assisted with core HR functions such as employee records management, document processing, and data entry.
- Designed and developed a simple internal system to categorize and streamline access to employee 201 files.
- Helped improve file organization workflows, reducing retrieval time and supporting more efficient HR operations.

2024

SOFTWARE DEVELOPER AT ROCKETSHYFT

- Built and maintained responsive web applications using React.js and TypeScript, focusing on performance and clean, modular code.
- Developed optimized UI components to enhance user experience and engagement across devices.
- Collaborated closely with engineers, designers, and product managers to deliver features efficiently and on schedule.

2023

FREELANCE WEB DEVELOPER

- Designed and deployed fully functional web applications using Bubble.io, enabling rapid prototyping and faster time-to-market.
- Translated client requirements into intuitive interfaces with consistent branding and smooth user experiences.
- Performed thorough testing and debugging to ensure cross-device reliability and optimal performance.

2022

SOFTWARE ENGINEER INTERN AT DIGIPAY

- Developed and refined user interfaces using React.js, JavaScript, and Material UI, resulting in improved site responsiveness and faster load times.
- Participated in code reviews, debugging sessions, and feature enhancements to ensure clean, maintainable, and high-quality code.
- Collaborated with senior engineers to implement new features using component-based architecture, contributing to better product functionality and user satisfaction.
